With respect to any and all Released Claims and Released Defendants’ Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Lead Plaintiffs and Defendants shall expressly waive, and each Class Member shall be deemed to have waived, and by operation of the Order and Final Judgment shall have expressly waived, any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiffs and Class Members may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims, but the Lead Plaintiffs shall expressly waive, and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown,

suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. Defendants may hereafter discover facts in addition to or different from those which he or it now knows or believes to be true with respect to the subject matter of the Released Defendants' Claims, but Defendants shall expressly waive, and by operation of the Judgment shall have fully, finally, and forever settled and released any and all Released Defendants' Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory, at law or equity now existing or coming into existence in the future, including, but not limited to, breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. Lead Plaintiffs and Defendants acknowledge, and the Class Members by operation of law shall be deemed by operation of the Judgment to have acknowledged, that the inclusion of "Unknown Claims" in the definition of Released Claims and Released Defendants' Claims was separately bargained for and was a key element of the Settlement.

(y) Any capitalized term used herein and not defined should be construed consistent with the definitions set forth in the Stipulation.

2. This Court has jurisdiction over the subject matter of the Litigation and over all parties to the Litigation, including all Class Members.

3. Pursuant to Federal Rule of Civil Procedure 23, this Court hereby approves the Settlement set forth in the Stipulation and finds that said Settlement is, in all respects, fair, reasonable, and adequate to the Class.

4. The Court finds that the Stipulation and Settlement are fair, reasonable, and adequate as to each of the Class Members, and that the Stipulation and Settlement are hereby finally approved in all respects, and the Settling Parties are hereby directed to perform its terms.

5. Except as to any individual claim of those Persons (identified in Exhibit 1 hereto) who have validly and timely requested exclusion from the Class, the Litigation and all claims contained therein, as well as all of the Released Claims, are dismissed with prejudice as to the Lead Plaintiffs and the other Class Members, as against each and all of the Released Parties. The Settling Parties are to bear their own costs, except as otherwise provided in the Stipulation.

6. Upon the Effective Date, the Lead Plaintiffs and each of the Class Members who have not timely opted out of the Class shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged against the Released Parties (whether or not such Class Members execute and deliver the Proofs of Claim) all Released Claims (including Unknown Claims) as well as any other claims arising out of, relating to, or in connection with, the defense, settlement or resolution of the Litigation or the Released Claims.

7. Upon the Effective Date, the Lead Plaintiffs and each of the Class Members who has not timely opted out of the Class, and their predecessors, successors, agents, representatives, attorneys and affiliates, and the heirs, executors, administrators, successors and assigns of each of them, directly or indirectly, individually, derivatively, representatively or in any other capacity, shall be permanently barred and enjoined from the assertion, institution, maintenance, prosecution or enforcement against Defendants, or any other Released Parties, in any state or federal court or arbitral forum, or in the court of any foreign jurisdiction, of any and all Released Claims (including Unknown Claims) as well as any other claims arising out of, relating to, or in connection with, the defense, settlement or resolution of the Litigation or the Released Claims.

8. Upon the Effective Date, each of the Released Parties shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished and discharged each and all of the Lead Plaintiffs, Class Members, and Plaintiffs' Counsel from all claims (including Unknown Claims) arising out of, relating to, or in connection with, the institution, prosecution, assertion, settlement or resolution of the Litigation or the Released Claims.

9. The notice provided to the Class, including the individual notice to all Class Members who could be identified through reasonable effort, was the best notice practicable under the circumstances. Said notice provided the best notice practicable under the circumstances of those proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Stipulation, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23 and the requirements of due process. The Court also finds that Defendants complied with the notice requirements of the Class Action Fairness Act ("CAFA"), 28 U.S.C. §1715 and timely provided the notice of the Settlement as required under CAFA to the appropriate state and federal officials.

10. The Claims Administrator is directed to administer the Settlement Fund in accordance with the terms of this order.

11. The Stipulation, all negotiations, statements, and proceedings in connection herewith and any act performed or document executed pursuant to, in furtherance of, or in connection with the Stipulation or the Settlement shall not, in any event, be construed or deemed to be evidence of an admission or concession on the part of the Lead Plaintiffs, any Defendant, any Class Member, or any other Person, of any liability or wrongdoing of any nature whatsoever by them, or any of them, and shall not be offered or received in evidence in any civil, criminal or administrative action or proceeding in any court, administrative agency or other tribunal (except

an action to enforce the Stipulation and Settlement contemplated hereby), or be used in any way as an admission, concession, or evidence of any liability or wrongdoing of any nature whatsoever, and shall not be construed as, or deemed to be evidence of, an admission or concession that Lead Plaintiffs, any member of the Class, any present or former stockholder of Heelys, or any other Person, has or has not suffered any damage. Defendants may file the Stipulation and/or the Judgment from this Litigation in any action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

12. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; and (c) all parties hereto for the purpose of construing, enforcing and administering the Stipulation.

13. The Court finds that during the course of the Litigation, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

14. In the event that the Settlement does not become effective in accordance with the terms of the Stipulation, or the Stipulation terminates according to its provisions, or in the event that the Settlement Fund, or any portion thereof, is returned to the Defendants or their insurers, or this Judgment does not become final, then this Judgment shall be rendered null and void and shall be vacated and, in such event, all orders entered and releases given in connection herewith shall be null and void, *nunc pro tunc*, except that (1) any modifications, reversal, or vacation of the award of attorneys' fees and expenses to Plaintiffs' Counsel on appeal or in any further

motions in this Court shall in no way disturb or affect any other part of this Judgment, and (2) any further proceedings, whether in this Court or on appeal, related to the Plan of Allocation, shall in no way disturb or affect any other part of this Judgment.

IT IS SO ORDERED.
